

My Life in Cars (Comedic Keynote-45-60 minutes)

Susan Frew, TEDx speaker, plumbing company owner and coach shares her hilarious story of how she links cars to dozens of events in her life. Susan, a self proclaimed "motor head" can identify any car from the 60s, 70s, and 80,s by their headlights or taillights. Susan can see the beauty in an old Buick. Susan has overcome 16 broken bones and 10 concussions in her life and uses these lessons to demonstrate how to overcome adversity.

Audience Experience:

- Inspiring-Susan will have your audience motivated to overcome anything in their life!
- Hilarious; audiences will be laughing and crying with Susan.
- Credible-Susan knows her cars! Susan teaches life lessons through her engaging and endearing stories.
